

01. Health & Safety Policy Statement

At Build Bloc Ltd, a leading UK manufacturer of concrete blocks, we are committed to fostering a culture of safety and wellbeing for our employees, contractors, and customers. Preventing injury or harm and ensuring a secure working environment are our top priorities.

Our health and safety principles are embedded across all levels of our organisation, from senior leadership to factory floor operations. We uphold a robust framework for continuous improvement, ensuring compliance with industry standards and best practices.

It is Build Bloc Ltd Policy to:

- Identify and control risks arising from our work activities to protect employees and others affected by our operations.
- Actively consult with employees on health and safety matters.
- Maintain safe plant and equipment.
- Ensure the proper handling and use of substances.
- Provide comprehensive information, instruction, and supervision.
- Equip employees with the training necessary to perform their tasks safely and competently.
- Prevent accidents and work-related ill-health.
- Sustain safe and healthy working conditions.
- Allocate adequate resources for the effective management of health and safety.
- Regularly review and refine our policy to maintain its effectiveness.

This policy applies to all individuals working for or on behalf of Build Bloc Ltd and is readily accessible via our website.

As Directors, we take full responsibility for implementing this policy, with all Company Directors supporting its execution to ensure safety remains an integral part of our business operations.
